- 1. The former Hotel U Jesirka was taken over in the autumn of 1952 for PS billets.

 The hotel is located 50 m. west of the Jachymov-Bosi Dar road, approximately 3½ km. southwest of Bosi Dar (N50-25, E12-54). About 30 members of the PS are billeted there and there is also a PS M.I. room. In June 1953 some building was going on there, but no details are available as building activity cannot be seen from the road.
- 2. An AA observation point has been established in the former Hotel Majerovka. The building is located 500 m. east of Bosi Dar on the northwest side of the road leading to Wiesenthal, about 80 m. from the frontier. The building has three stories and is 20 x 15 m. On the roof a wooden observation tower, three meters high, was constructed. There is always one observer on duty in the tower. The observers wear army uniforms with red shoulderboards and aircraft insignia in a circle. They are billeted in PS barracks (see para. 3 below). On the tower is also a radio antenna, and telephone cables lead from there in the direction of Jachymov (N50-22, E12-55).
- 3. The former customhouse in Bosi Dar is being used as PS billets. It is located 50 m. northeast of the above-mentioned observation point. The building has three stories and is 20 x 15 m. Two officers and 20 enlisted men of the PS are billeted there. They are armed with submachine guns and lifles. The unit has five horses, two motor-cycles, two Skoda cars, and three dogs. It is subordinate to a PS headquarters in Jachymov.
- 4. In the autumn of 1952 construction was started on new PS barracks. One three-story building, 15 x 10 m., is being erected by Stavebni Kombinat, National Enterprize 1 Jachymov.
- 5. An air-force meteorological station is located in the observation tower of the former Hotel Klinovec, about 2 km. southeast from Bozi Dar. The hotel itself is being used as a leave center for PS officers. The tower is about 30 m. high and telephone cables lead in the direction of Jachymov. Civilians have not been allowed to enter the hotel
